

Angel of Hope™ Pendant
(Breast Cancer Awareness)

Breast Cancer is one of the leading causes of death in women worldwide. This pendant was created to remind the person wearing it, to perform monthly exams and for the person who already has the disease, hope for recovery.

Quote from Scripture:

"Let us hold on firmly to the hope we profess, because we can trust God to keep his promise." Hebrews 10:23

What keeps us alive, what allows us to endure? I think it is the hope of loving, or being loved.
