

MY MOTHER, FOREVER, MY FRIEND

*How can I ever thank you for all you've done for me?
You have always been there giving, unselfishly!
You've always picked me up when I'm feeling down,
and helped me when I needed to turn things around.
You're my hero, my example! I don't think that you knew.
I'm proud you are my mother! For I am a reflection of you!*
